

PRIVACY POLICY

The GDPR (General Data Protection Regulation) has been implemented across Europe as of 25 May 2018. As a consequence, the accountability of the Antwerp International School will increase as it processes a lot of personal data of students, alumni and parents. AIS is expected to explain in plain terms what personal data of its students, alumni and parents is used, why they do, who can access this data and what the rights are of the individuals concerned.

This policy seeks to clarify the processing of the personal data of students, alumni and parents with regard to the accountability AIS has towards its customers and ex-customers.

This policy is limited to the provision of information to students, alumni and parents regarding the processing of personal data during the period in which students and parents are contractually linked to the school and the subsequent years for alumni.

A link to the full policy can be found [here](#).
